Re: Provision of Project Management Services for
22 Middle Gap Road, The Peak, Hong Kong

I hereby confirm that Projexasia Limited was appointed as Project Manager for the general building maintenance of 22 Middle Gap Road, The Peak, Hong Kong (22MGR) between October 2001 and October 2009.

Projexasia managed a wide variety of building maintenance works, some of which were quite sizeable and challenging, at 22MGR. Projexasia assigned a Project Manager who was based full time at 22MGR over a period of six years.

We would recommend Projexasia Limited to other clients with similar requirements for Project Management of residential properties.

Yours Sincerely

Robert W. Miller
Chairman
