FITTING-OUT WORKS FOR MUSTANG JEANS STORE, CAUSEWAY BAY, HONG KONG

We hereby confirm that Projexasia Limited was appointed as Main Contractor for the fitting-out works of our MUSTANG Jeans shop, in March 2010. The fitting out works were practically completed in April 2010.

The works comprised of the fit-out of an existing retail space, involving demolition works, building services installation, landlord liaison, installation of a new shop-front and finishes, in a 24 day period.

We were very happy with the service received, the close adherence to our budget and time schedule and the quality of the finished store. Their professionalism and efficiency were key components for the successful completion of the project.

We have no hesitation in recommending Projexasia Limited to other clients with similar requirements for a fast track fitting-out of retail space.

Yours Sincerely
