

24<sup>th</sup> October 2011

To Whom it May Concern

**Re: Solomon's Porch Church, Central, Hong Kong – Fitting-out works**

We hereby confirm that Projexasia Limited was appointed as the Main Contractor for the renovation of Solomon's Porch, 2<sup>nd</sup> Floor, Two ChinaChem Plaza, 68 Connaught Road, Central, Hong Kong. The project commenced on 18<sup>th</sup> August 2011 and was practically completed on 21<sup>st</sup> October 2011.

The project involved the demolition and clearance of the existing church facility on the 2<sup>nd</sup> floor, and the subsequent fit-out of the new church facility including but not least the following, additional building services, food servery area, stage area, installation of a timber portal feature structure, lighting, AV system, general painting works and new carpets – all requiring careful coordination and planning throughout the project duration.

We were very impressed with the safety performance, quality of the finished product and timely completion of the project. Their professionalism and efficiency were key components for the successful completion of the project.

We would have no hesitation in recommending Projexasia Limited to other clients with similar requirements for fit-out works.

Yours Sincerely

Tracie Ang  
Renovation Project Co-ordinator  
Solomon's Porch Limited
